Game Rules

Pregame:

Teams may start a game with 4 players. If a team has 4 players and it is game time, they **MUST** start. If a team is running late, it will be considered a forfeit if they arrive 15min after game time.

Home Team: The team listed first on the schedule will be the HOME team on the scoreboard.

Warm-ups: 3 minutes minimum

Game time: 20 minute halves, running clock.

Clock will stop on all whistles in the last 2 minutes of the game **only when a team is up 10 or less points.**

Half time: 2 minutes

Overtime: 2 minute with stopped clock. If the score is still tied at the end of overtime, we will play sudden death. The first team to score wins (**this includes free throws!**). Overtime and sudden death periods will start with a jump ball. **No additional timeouts will be given for overtime.**

Time outs: Each team is allowed **3** timeouts per game. Timeouts will be 45 seconds in length.

Fouls: Bonus will be after the 7th team foul of each half. Double bonus will be after the 10th team foul of each half. Individual players will be disqualified after the 5th personal foul. All other NFHS Colorado High School rules apply.

Free Throws: Regular High School rules apply! **The clock will not stop**, unless a technical foul has been given or in the last 2 minutes of the game.

Technical Foul: (rules updated)

- If technical is on a Coach, that Coach must remain seated the duration of the game.
- Two free-throws plus the ball will be awarded to the opposite team.
- *The clock will stop* once the official calls the foul and remain stopped as the two free throws are in progress. Clock will begin running when the team shooting inbounds the ball.
- If a second technical foul is given, the recipient(s) will be ejected out of the gym.

We encourage good sportsmanship at all times!

Coaches, it is your responsibility to teach your players through word and action good sportsmanship and the rules!

Pool Play Tiebreakers:

1. Two teams: Winner of head to head competition.
2. Three or more teams: Head to Head if applicable, then point differential *of like opponent.*
3. For pools of 3, only games within your pool count for seeding. Cross pool games do not count towards seeding.

***New Rule* There is a 15 point +/- maximum in point differential. i.e. If you win by 35, it counts as +15.**
